Final copy date for the July - September newsletter is 10th June. Copy should be sent to Andy Stewart, The Old Farmhouse, 13 High Street, Astcote (email andy@stewarts.me.uk, tel: 830042), or given to Janet Taylor, Dalscote. (Please use email if possible.)

Would you like to see your photograph or artwork on the cover of the next Around Pattishall? If so, please send it to me. It should be something with a local & seasonal flavour.

Pattishall Women's Institute

In March, apart from an interesting speaker on Scottish history, we had all the excitement of receiving the Northamptonshire W.I.'s Jubilee/Olympic baton, which is being passed from one village to another. Rothersthorpe brought it to us at Dalscote House in a fleet of vintage Minis. We welcomed them with union flags, bunting, canapés and drinks. On the following day Barbara Parkinson, our President, ran with the baton from Astcote to Candle Bridge, Blisworth, which had been decorated for the occasion. She crossed the 'finishing line' in style, cheered on by the Blisworth ladies, all dressed in red, white and blue with matching hats. We then adjourned to the chapel, also patriotically decorated where an excellent ploughmans lunch was served.

By the time *Around Pattishall* is published we will also have enjoyed a talk on Gardens for Free, which promises to be very interesting and paid our second visit to Highgrove. At our May meeting we will discuss the resolution which will be put forward at the A.G.M. and in June, our Members Evening, a visit to 78 Derngate, has been arranged. We also have monthly Luncheon Club when we visit different restaurants and enjoy the food and conversation.

If you would like to know more about the W.I. or would like someone to accompany you to a meeting, please ring Elizabeth Scowen, (Secretary) 07768 744250 or Barbara Parkinson 830245.

Grand Jubilee Bake Off

Celebrations for the Diamond Jubilee are planned for Monday 4th June in Pattishall Parish Hall.

One of the events is to be a Bake Off.

There will be a competition for the best Victoria Sandwich Cake --- no shop bought ones! We know what happened in Calendar Girls. It should be home made using three eggs and decorated in the theme of the Diamond Jubilee.

The children's class will be A Cup Cake also decorated in the same theme.

Cakes can be brought to the hall before judging takes place at 3pm. Entry will be 50p for adults and 25p for children.

The Quiz in February was another successful evening thanks to Malcolm Baker and his able assistants. There were twenty teams competing with some very challenging questions, the fish and chip supper hopefully added to the brain power. The event raised £785 with Barclaycard matching with a £750 donation.

The new double-glazed windows have been installed and already many of the hirers have commented on the difference they have made to the temperature of the hall. We were the first recipient of a grant from South Northants Leisure Trust for this project. We are awaiting the result of an application to Biffa for a grant towards the extension. Three car boot sales have been arranged in the summer to raise money towards replacing the flooring in the large hall. Look out for details of these events later.

Through Councillor Ben Smith, a grant of £600 has been given towards the hire of the Youth Bus and inflatable equipment for the Jubilee event on 4th June. Please support this event, a great way to get involved and support our community.

The new equipment, installed by the Parish Council in the Playing Field, is proving a great success with young and old alike. We are fortunate to have such a large field and playing area in the parish along with the hard court. The court, which is free for U18's to use when not booked, can be hired by adults for £5 an hour from Nic Boyd on 830226 or 830829. Tennis lessons at Pattishall are now being organised by David Barr of Duston Tennis Club. For more details phone 07912 746693 or email coaching@dustontennis.co.uk.

The Annual General Meetings for the Parish Hall Association and the Playing Field Association will take place on Thursday 24th May at 7.00pm and 7.15pm respectively at the Parish Hall. All residents are invited. Please come along and find out about the work done by the committee. Helpers and new members are always welcome with any assistance in maintaining our community centre.

New Play Equipment

As many of you have seen the new equipment is being enjoyed by both young people (I was the first to go down the Zip line!) and the older generations. We hope to add to this existing play area in the near future. It has taken quite a long time to bring this to fruition and I hope it will be enjoyed by generations to come. Any further thoughts or suggestions please get in touch.

John Woollett Parish Council

Pattishall Good Neighbours Club

Our February meeting was delightful. Twenty-five members of Towcester Choral Society braved the snow to come and sing to us. March was our AGM and with the exception of Margaret Stretton our Treasurer all the officers and committee agreed to guide us for another year. The elections were followed by a very good talk given by Paul Howard about his 28 years as a professional photographer.

In April we look forward to a talk and demonstration by artist Michael Peachey. In May we have our annual bring and buy and in June we have our first outing of the year. If you would like to join us please do. You will get a warm welcome – and a cup of tea and a cake! Keep an eye on our programme in the diary pages of Around Pattishall or phone Alan White on 830892. We look forward to more of you joining us.

Northamptonshire Dog Watch

The main aim of a Dog Watch scheme is to create a partnership between the local community, police and the local authority. The scheme is a great way of building community relations and working together with the police and the local council.

As a dog walker you will have more time to be observant, look at the environment and actually take notice of what is going on around you. You will also notice if something is out of place or unusual as you use the same area every day. The scheme is open to all walkers, with or without dogs.

To make a report, ring the Northants Police non emergency number: **Tel. 101**

To report any of the following, you can ring South Northamptonshire County Council on 01327 322322, or send an e-mail to customerservice@southnorthants.gov.uk If you want to send a photo of what you are reporting please use the above email address. Northants Acre Bulk Oil Buying Project

You may remember that last autumn saw the launch of the Northamptonshire ACRE Bulk Oil Buying Project. We're pleased to report that it's fully up and running.

Since we began in October our membership has grown to almost 60. The prices negotiated on behalf of the members and the average member savings are shown below:

Month	Average market quoted price	Final price achieved after negotiation	Member savings per 500 litre order
October	59.00p	53.97p	£25.15
November	61.50p	55.50p	£30.00
January	60.20p	54.90p	£26.50
End January	61.50p	56.45p	£25.50

The benefits to individual members are:

- A saving of £25 - £30 per 500 litres ordered vs average prices quoted by the oil companies.
- No need to buy larger volumes to get lower prices as your individual order is a small part of a much larger one.
- Avoid the hassle of ringing round for quotes – leave it to our professional negotiator.

The benefits to our local community are:

- -A communal sharing of the price benefits.
- Reduction in tanker traffic through our villages.

Already a member? Many thanks to those villagers who've already joined the scheme, and don't forget that the ordering deadline is the last Wednesday of each month.

Not yet a member? If you're not yet a member, but would like to join, please feel free to use the contact details below. You can see from the above figures that the potential savings opportunities are well worth taking. The greater the number of members in the syndicate, the greater will be the opportunity to negotiate the lowest possible market prices for all members to enjoy.

2012 Police Open Day Date Announced

Following the huge popularity of the event last year, Northamptonshire Police will be holding the 2012 Open Day on Saturday 12 May, from 11am to 4pm, at Wootton Hall Park.

Inspector Nick Lyall said: "We had great feedback from the crowds that came along in 2011 and we'll be adding even more attractions to last year's favourites so it's certainly a date for people to put in their diaries."

"This free event is a fantastic opportunity to find out more about the work of Northamptonshire Police. We are currently planning a host of exciting demonstrations and scenarios to make sure everyone coming along will be guaranteed to have a fun-packed day and to learn about the many aspects of policing."

"There will also be stands and displays offering a wide variety of information and advice, fun activities for children, refreshments and Safer Community Teams from across the county will be there for people to meet their local officers and PCSOs."

The event is currently in the planning stages therefore the detail of all activities are yet to be confirmed, however the following demonstrations and scenarios will be taking place:

- ☐ Armed response vehicle and dogs demonstration
- ☐ Petrol bombing demonstration
- ☐ Off-road motorbike demonstration
- ☐ Taser demonstration
- ☐ Emergency response scenario
- ☐ Mock trial scenario
- ☐ Force Control Room demonstration
- ☐ Collision investigation team

There will also be historic police cars, the police museum and stands for Safer Community Teams from across the county, crime prevention, the Special Constabulary, the police cadets, the Arson Task Force, Wildlife and Countryside officers, Victim Support, internet security and safety for children, operations such as Operation Guardian and many more.

Information about the open day will be publicised as it becomes available. Visit www.northants.police.uk for further news of the event.

Cold Higham Parish Council

Cold Higham Parish Council has recently been considering the benefits of replacing the existing street lighting with more energy efficient lamps. Although this would save some money in running costs it would involve replacing all of the fittings. At the moment it appears that the cost of doing this would far outweigh any savings from the amount of energy consumed so it is likely that we will decide to leave things as they are. There are no plans to remove any of the existing lights.

We would request that residents on Banbury Lane in Cold Higham please refrain from parking their vehicles on the grass triangle at the top of Church Lane. This is one of very few public spaces in the parish and cars are not only unsightly but can also damage the spring flowers growing alongside the park benches. Cars parked on either side of the entrance to Church Lane can also obscure the view up and down Banbury Lane. This is potentially dangerous for all road users and pedestrians.

Many thanks to everyone who took part in the annual litter pick on Sunday 11 March. This year we probably had the biggest turn out ever and this was just as well because there was plenty of litter to collect from the roadside. Teams from Grimscoate, Fosters Booth and Cold Higham managed to collect many bags full of rubbish on the day. Sadly, even a few weeks later it looks like there will be a job to do again in 2013.

The telephone box in Cold Higham has finally been decommissioned by BT and we will be installing the new notice boards and leaflet racks in the next few weeks.

Keith Wootton

Pattishall Village Spring Clean

A big thank you to all the usual volunteers who helped with village spring clean on 17th March. There were over 20 volunteers who collected rubbish from the ditches and roadside verges up to the boundaries of the parish.

The usual take away containers and cans as well as tyres and other rubbish were brought to the Parish Hall car park as a central point. Then SNC refuse dept took this away the following week. Special thank you to Dale Furniss for the use of his pickup truck to cart the refuse. One volunteer remarked on the number of plastic bags with dog faeces in that were thrown in ditches. We provide bins for this mess so would dog walkers please use these instead of throwing them in the ditch.
