All the Fun of the Fete

Cold Higham's Annual Village Hall Fete returns on Sunday 7 July from 2 to 5pm after a break last summer. As always it's free admission and there will be ample free parking nearby thanks to a local farmer.

This year's event promises to be the biggest and best yet. As well as all the usual attractions we're planning on adding some exciting new features. These will include even more stalls for children and families to take part in a range of activities, competitions and games. We're also hoping, subject to confirmation, to arrange some displays by clubs and individuals who use the hall for their activities.

The refreshment stall will be selling tea, coffee, soft drinks and home-made cakes throughout the afternoon.

We're also running a bring-and-buy plant stall. Anyone wishing to donate surplus plants for sale can bring them along on the day.

There will be a special free draw for all visitors with a special prize awarded at the end of the afternoon.

All proceeds from the fete will go towards the running and upkeep of Cold Higham Village Hall.

Further details at www.coldhigham.org.uk or from Gill Rowe, Village Hall Chairman (01327 830990 or steve.rowe2@btinternet.com).

Once a Quarter Evensong

In response to requests to hold a sung Evensong service, we are starting a once a quarter Evensong at 6pm in the churches of the Benefice. The next service will be at Holy Cross Pattishall on Sunday, 29th September. Look out for details of subsequent dates and venues in the monthly service rotas in the Messenger, Around Pattishall or the village websites.

Rev'd Marion Reynolds

Enjoying our open spaces...

We want everyone to enjoy and use the playing field especially now the better weather is here. Unfortunately there have recently been some incidents of vandalism and anti social behaviour at the playing field and in the hall. It is a shame that a few are spoiling it for the greater majority of residents of all ages who have worked so hard to improve these facilities. We would ask all residents to report anything of concern at the hall or field to the police who are investigating the current incidents by phoning 01604 432436.

Building work at the rear of the hall has commenced and we would ask parents to remind all young people of the need to keep away from the safety fencing and not to interfere with the equipment. This is especially important with the lighter nights and forthcoming summer holidays.

Thank you for your support.

Pattishall Good Neighbours Club

At our May meeting we had a visit from Sharon Evans of the Wood Green Animal Charity who told us so much about the sick and abandoned pets taken into care by them and the treatments so often needed before a pet could be passed on to new and caring owners.

As I write we are looking forward to a very active summer programme starting with our first day out, a visit to Beaconsfort Model Village followed by tea with the ladies of Weston on the Green W.I.. We return to the Parish Hall in July for our annual Bring and Buy followed by entertainment by Rosemary Leonard and Friends.

August will be a very special month for us when we have two days out. The first is a coach trip to Worcester with a couple of hours to explore "The Faithful City" followed by a boat trip, with tea, on the River Severn. Later in the month we have another boat trip. This time we are very fortunate in being treated to a five-hour narrow boat trip on the River Nene courtesy of the St John Ambulance Brigade.

September, back in the Parish Hall Michael Leonard will again entertain us with one of his very funny talks entitled "Humour" which it is said is guaranteed to make us laugh.

You must agree that we really do have a full, entertaining, programme. You too could have a good time with us. Just come along to one of our meetings where you will be made most welcome and you will find that we are Good Neighbours in more than name.

Pattishall Parish Hall – Official Opening of Extension

The Hall committee are very pleased to announce that the extension to the Small Hall and the new toilet facilities are now open. In fact the new extension has had two official openings. The first on Sunday 12 May, for local residents, celebrated the end of this phase of the building work with afternoon tea and cake. A total of £228 was raised which will go towards the next phase of building work. Lots of locals turned out on this wet afternoon to have a look at all the work that has been done.

The second event took place on Wednesday 29 May. All those organisations that provided grants, members of the development committee, local councillors, the architect, representatives of local clubs and groups and the press were invited. Iris Illingworth, the Hall chairperson, thanked everyone for their contribution in making these improvements to the Hall possible, and for coping with the disruption during the building work. This event was also very well attended, and, needless to say, yet more tea and cake were consumed!

Phase 2 of the redevelopment, construction of a storage area for the Large Hall, and extension to the kitchen, started on Monday 10 June.

Suzanne Raper

Pattishall Women's Institute

We had a very good debate at our May meeting and voted to reject the resolution, so we have sent our representative to the AGM in Cardiff to vote against. We wonder how the rest of the country will vote.

Our Members' evening in June is to be an outing so we are hoping for a fine evening. July sees us back in the Parish Hall to hear a talk about "Gardens of the National Trust".

The Summer Ramble in August will be along the canal at Stoke Buerne. Meet at the Navigation Inn at 7pm. No problem there if the weather is bad!! In September Tony Dallimore will be talking about "Perfumes".

If you would like to come to a meeting, visitors are always welcome.

Diary Dates:

- July 10th Gardens of the National Trust
- August 14th Summer Ramble
- September 11th Perfumes

Pattishall Scout Group

Is there anyone in the Parish who feels that they could help with Cubs or Beavers? We are struggling again to keep the group going with only one Leader for each section. We lost two leaders last year and now have to cancel meetings if one of us is absent.

Cubs meet on Mondays from 6 to 7.15pm in Pattishall Parish hall and Beavers at Cold Higham on Mondays 6.15 -7.30pm.

Please contact me on 830245 if you are able to help out, even if it isn't every Monday, as it may be possible to "job share" the role.

I do hope someone comes forward as I should hate to see Pattishall Scout Group fold up.

Barbara Parkinson
Group Scout Leader

Pattishall Youth Club

Pattishall Youth Club is held, at the Parish Hall, every Tuesday evening during term time. It is open between 7.30pm to 9.15pm and all young people in year 6 to year 11 are welcome. The fee is £1 per week, with the first week being free.

There are games, craft nights, tuck shop, and some external events - we've recently been to a Climbing Centre, Lazer Zone, and had our own Christmas Disco.

So whether you want to come along and take part in all the activities or just come along with friends for a place to get together - why not come along and try it out!

Tuesday 25th June is our last get together for this school year, and we will start again on Tuesday 10th September - put the date on your calendar!

If you want to know more then just pop along, or contact either Ruth Furniss 01327 830118 or Mark Couling 01327 831443 for more info.

Bridge Club

The Bridge Club will recommence on Monday 7th October in the Village Hall at 7.45pm (to start 8.00pm) till 10.00pm

The club is open to anyone who would like to play duplicate bridge one evening per week in a friendly group. We will be meeting again in the autumn for twenty weeks starting October 7th; with 10 weeks before Christmas and ten weeks as from January 6th. We can accommodate players of all standards. The enlargement of the small hall will enable us to increase our membership in October, so if you would like to join the current members, please get in touch with me on the number below.

Membership: £20 for twenty weeks. This covers the hire of the hall and the purchase of new stock - bridge-boards, playing cards, score cards, table cloths and duplicating etc.

If you do not know how to play bridge but would like to learn give me a ring. Lessons can be arranged for small groups. There is no charge for tuition.

Victims' Voice for Northamptonshire

Northamptonshire police and crime commissioner Adam Simmonds is announcing a national first with the launch of a victims' commission for the county.

The drive, called Victims' Voice, will look across all the current services which support victims of crime to examine whether these services fully understand and meet their needs.

It will champion restorative justice approaches whilst ensuring that these are geared to the needs of victims of crime and support their wishes, and will identify options for driving a faster and more victim-friendly courts system.

New ways of listening to victims of crime will be explored so that their needs are fully understood and acted on.

The victims' commission, to be known as Victims' Voice, will be led by Angela Sarkis, well known nationally for her work in the crime and justice field.

She said, "I am delighted to be leading this groundbreaking work in Northamptonshire. Over the next few months we will be talking to organisations right across the county who aim to represent and speak up for victims of crime. We especially want to hear from individual people who have been victims of crime who can tell us about how they have been treated and how they think the system can be improved. These views will be treated in confidence and the more people we hear from the more valid our conclusions are likely to be."

Said Adam Simmonds, "I have said from day one that I intend to put the victim of crime first, offering the help and support they require. Proper protection and support for victims of crime is fundamental to my vision of a reformed criminal justice system and better policing.

"No one chooses to be a victim of crime, but none of us is free from the possibility that one day, without notice, we could become victims of crime.

"Many of our citizens will have experienced the trauma of having lives turned-upside down through car crime, burglary, violence, domestic abuse, identity theft and in numerous other ways. But while we do not choose to be victims there are those in our society that choose to make crime a way of life.

"Victims of crime must be able to rely on swift, sure justice which punishes offenders properly, and on intelligent justice which demands that offenders face up to the causes of their behaviour, protecting future victims from similar trauma."

People who have been victims of crime can contact Victims' Voice by writing to Angela Sarkis at the Northamptonshire Police and Crime Commission, Wootton Hall, Northampton NN4 0JQ, through the website victims-voice.org.uk or email to contact@victims-voice.org.uk All information will be treated in the strictest confidence.

The victims' commissioner will publish her findings in September.

Splat 2013

Splat 2013 are coming back to the village this summer. They are combining Play Rangers who are making their return with Sporting Village games, creating SPLAT on the road.

These activities offer opportunities for your children and young people to be active this summer.

The dates are Tuesday 30th July and Tuesday 13th August at 10.30 to 12.30.

The events will be at Pattishall Parish Hall, School Road.

Gardening Club

The Garden Club visit to Oxford Botanical Garden which was planned for 10th July has had to be changed to the 23rd of the month. It will be an afternoon visit with a guided tour by Timothy Walker who gave us such a wonderful talk in April. We will organise lifts to Oxford and reach the venue by Park and Ride.

Our speaker on September 4th will be Tony Clear who will talk on Planting for Winter Colour. Tony is an RHS speaker and no doubt will have some very useful tips to help bring colour to a winter garden.

Compost Awareness Week

South Northants Council Says “Get Composting” During Compost Awareness Week. The 13th annual international Compost Awareness Week was held last month. South Northamptonshire Council encouraged its residents to get involved by promoting the environmental benefits of home composting and the great results that can be achieved by using peat-free composts containing recycled material.

During Compost Awareness Week 2013, South Northamptonshire Council staged a series of composting events including a scarecrow competition at the redeveloped Ashton allotments. The winner was ‘Anti-Scarecrow’ (also known as ‘Auntie Scarecrow’), designed by Jan Willetts and Bron Kenny. They won a food hamper which has since been donated to the churchyard fundraising raffle.

Jane Griffiths, Garden Organic’s Volunteer Mentor Network Manager said: “The International Compost Awareness Week is a great opportunity to promote the importance of composting to a wide variety of people and groups. We have a range of fun and informative activities that will engage and inform people about the benefits of home composting.”

For those interested in home composting who haven’t yet given it a go, now is the perfect time to get started. South Northamptonshire Council in partnership with getcomposting.com are offering home compost bins for as little as £16.98 plus delivery – less than half the recommended retail price of £39. There is also a ‘Buy One Get One Half Price’ offer, adding extra value to residents with larger gardens or those who team up with a friend or neighbour to buy a bin.

To see what’s available in your local area call 0844 571 4444 or look online at www.getcomposting.com. Simply enter your postcode to find the best deal for you. Some local authorities also have subsidy available to reduce prices even further.

South Northants Volunteer Bureau

Mike Oakley of Northamptonshire Credit Union will talk on "What a credit union is and the service and benefits offered to both the individual and local community"

Sue Grace of Northamptonshire County Council will talk on "Future commissioning for the Voluntary and Community Sector and understanding the support needs of local groups"

These presentations will be followed by the usual information exchange.

Thursday 18th July 2013, 14.00 pm – 16.00 pm at SNC Offices, Committee Room, Springfields, Towcester NN12 6AE.

To register for this meeting please email info@snvb.org.uk or call 01327 358264
