Annual Litter Pick

This is scheduled for Saturday 21st March. We are looking for volunteers to spend an hour or so to collect rubbish that has been thrown on to the roadsides.

If you could help we will meet at Pattishall Parish Hall car park at 9am. The rubbish is then removed by SNC from the car park of the hall. Please bring gloves and stout footwear . We have litter pickers and high vis jackets. If you are not able to help on the day but would like to participate I can allocate a section to be done beforehand.

Gardening Club

The March meeting of the Gardening Club will be held on Wednesday 4th March in the Parish Hall at 7.30pm when Brian Ellis will advise us how to use texture and foliage to enhance our gardens. On 1st April we welcome back

Nicholas Warliker who is going to speak to us about Barnwell Manor, Castle and the gardens.

Looking ahead to hopefully warmer weather in May, we have arranged for Dale Coleman to come and tell us how best to grow Pinks and Auriculas.

If you haven't been to the meetings before, why not come along and enjoy a friendly and informative evening?

Christine Russell, Secretary, 830012

Young's Nurseries

As many of you know, after a long illness, my brother David passed away in October. He had dedicated his life to Young's Nurseries since 1967. With this in mind, I feel that now is the time for me to retire from the business.

To allow us to take stock we closed for business on Saturday 31st January but we will reopen on Monday 23rd March for a closing-down sale. This will include some great bargains as we will be selling a wide selection of trees, shrubs, roses, spring bedding plants, pots and containers and much more! Very much look forward to seeing you during our sale period which will end on Saturday 12th April.

Thank you for your support and friendship.

Pattishall Parish Hall Pattishall Playing Field

The New Year starts with a new plan for the hall, a great community asset for the parish and surrounding area. This year we are intending to work on the large hall with improvements to the heating, blinds and look of the hall in order to complete the refurbishment of the ground floor.

Last year ended with the Senior Citizens Christmas lunch provided free to all residents. This has been a tradition for many years supported by the Playing Fields Association from their funds. Please see article.

Thank you to all those who supported the Christmas Draw in aid of the Hall. The sum of £722 was raised. The winners were as follows;

1 st 0305 Graeme Pettinger, Banbury	6 th 0267 Pete Hodge, c/o Badminton
2 nd 0062 Phillip Brown, Fosters Booth	7 th 0005 Christine Downing, Eastcote
3 rd 0145 Adrian Cross, Pattishall	8 th 0185 Duncan Stiff, Pattishall
4 th 0500 Colin Randle, Astcote	9 th 0890 Richard Twyford, Pattishall
5 th 0567 Val Robinson, Towcester	10 th 0135 Simon Fowler, Fosters Booth

To start our fundraising we are holding a **Spring Craft Fair and Market** on Sunday 22nd March 2015 from 12 noon to 5 pm in the large hall. We have over 25 stalls selling varied crafts as well as local produce to tempt you in the food line. There will be a book stall, tombola and the inevitable raffle. After browsing you can enjoy a pot of tea and cake or even a bacon roll if you are there at lunchtime. Please support us and bring family and friends.

Cake Stall WI are running the cake stall at the Craft Fair on 22nd March in aid of Parish Hall funds. We would be grateful for any donations of cakes or biscuits please. Just bring them along to the stall on the day, or give to a WI member. Please wrap the cakes and enclose a list of ingredients used.

The Playing Field Association is holding **Picnic in the Park** on Saturday 11th July 2015. This music festival was a great success last year and there will be further information on the event and tickets shortly. Volunteers are needed to assist with various activities including delivering leaflets, setting up beforehand, on the day and clearing up afterwards. Please contact Karen on 830042 or karen@stewarts.me.uk if you would be interested in giving up some of your time to get involved with this great village event.

We have been asked to have a Cake Stall at the fund raising event in The Parish Hall on Sunday 22nd March to raise money for the repairs to the car park and to complete the refurbishment of the large hall. We would be very grateful for donations of cakes to be brought to the hall in the morning or by contacting one of the committee names below.

Visitors and new members are always welcome to our meetings held on the 2nd Wednesday of each month at 7.30pm in The Parish Hall.

New Homes Bonus

There is a fund of money available for small community and local projects in the Parish. The money comes from the new homes built in the villages. Application forms are obtained from SNC.

These are assessed every other month for suitability. Completed application should be returned via the Clerk to the Parish Council, Ann Addison, Bakers Lane, Gayton.

Pattishall Parish Christmas Luncheon

for the over 60's, sponsored by the Playing Fields Association

Another lovely event. Over 80 local residents were welcomed with a glass of sherry and then treated to a very tasty turkey dinner with lashings of wine (or

soft drink if preferred) followed by Christmas pudding and ice cream. All were entertained beautifully by Sponne school Brass Ensemble before enjoying tea or coffee with warm mince pies. Following a free raffle diners are sent home with a pretty little cyclamen, which some tell me they manage to keep alive for years.

This event would not be possible if it was not for our trusty band of helpers that are always happy to give up their time. Namely, in no particular order, Iris, Helen, Heather, Val, Jo, Wendy, Kate, Karen, Joan, Nigel, Tim, Jonny. Also our young waiters Keira, Anya, Josh and Sam.

We have been researching and from what we can make out this has been a Parish event since approximately 1950 so we will be celebrating 65 years next year. So if you do not want to miss being part of this village get together, now is the time to put Saturday 5th December into your diaries.

Libby Covington.

Cold Higham Parish Council Election 2015

Will **YOU** join the Parish Council?

Why? Because we, the Cold Higham Parish community, need an active PC to look after our interests. That means committed parish councillors.

What interests? From the mundane (e.g. street lights and grass cutting) to the strategic (e.g. the Local Plan).

What's the PC done lately? Given the parish's views to District on the proposed Local Plan after sounding parish views; targeted district and county councils about the dangers of the A5 crossings; started to find funds to repair the parish war memorial; set up a new web site; and mended lights, cut grass etc!

What's the commitment? Six to eight meetings a year; some work between meetings. It's what you can give, and if all councillors are active then the workload isn't too bad.

Interested? Want a chance to help our community for a few years? Then please contact the parish clerk on clerk@coldhigham.org.uk. Or contact any of our councillors for further information (they are listed on the web site, www.coldhigham.org.uk). The deadline for applications to be returned to SNC is 9th April 2015.

Pattishall & District Good Neighbours Club

Here we are with Spring just around the corner and we are already well into our 2015 programme. This month we have our AGM followed by a quiz and the usual time to socialise over tea and cakes and for our newest members to get to know us.

Our Treasurer Brenda Pitcher is retiring as are our committee members Ann Twyford and Rita Simms who, with Fiona Hawkins, have very successfully arranged our outings and Christmas lunches for the past few years, although I know they will continue to be active members. Thank-you Brenda, Ann and Rita for all the time and hard work you have put in for us.

Next month we have Tim Bartlett, whom I am told was not only a head teacher but has done much valuable work for Oxfam, with us to talk about the eradication of smallpox. In June and August we shall be out again on our day trips.

We have a full programme again this year, which can be viewed on the Pattishall Parish website and look forward to seeing you joining in with us.

Alan White, 01327 830892

Cold Higham Parish Council

Well it's a new year and we have been working hard on the parish council.

Since I last wrote, we have continued to work on getting the war memorial repaired. A working group has now been formed to investigate grant funding to enable it to be brought back to its former glory. Please refer to this edition of *Around Pattishall* for Digby Carter's article regarding this as you may be able to help with their research.

The Parish Council continue to push for an improvement in the visibility splays of both the Mill Lane and Banbury Lane junctions on to the A5. With the support of Roger Clarke, (SNC), we are striving for a positive outcome.

The seasonal litter pick is scheduled for Sunday the 22nd March at 11am and we would really like to welcome as many volunteers as possible. The litter pick would only need to take an hour or so of your time and the more volunteers we have, the quicker it can be done! This can be quite a sociable event where you may get to meet fellow villagers that you haven't come across before. So don those gloves and high vis jackets and help to help our environment. The meeting point for Cold Higham and Fosters Booth is the postbox on the end of Church Lane and for Grimscote it is the phonebox in the village. Please note that some equipment is provided.

The next Parish Council meeting is on Wednesday the 11th March at 8pm. You can find out more information about Cold Higham Parish Council and other local information on our website www.coldhigham.org.uk

Cold Higham War Memorial

The Cold Higham War Memorial, commemorating those from the Parish who died in the Great War (as well as two who died in WW2), has been missing from its place in St Luke's Churchyard for several months. Sadly it is broken, and the top pieces are being stored for safe keeping.

Cold Higham Parish Council has set up a working group to make recommendations about its repair, and how such repairs can be funded. This has started work, and is pursuing a number of potential funding sources.

A number of quotations have been received from local stonemasons to carry out a renovation. It would appear that some elements are beyond repair, and will need replacing. It is hoped that the base at least can be restored, although it will need re-seating and cleaning. The lettering will need renewing.

In addition to the work on the memorial itself, the working group has started to research the names on the War Memorial, and aims to increase local awareness of them and the sacrifice they all made.

We are appealing now for help:

- Do you know any history about the War memorial, or have any pictures of past events??
- Are you related to any of those named??
- Do you know anyone who is related to them??
- Do you know anything about them??
- Do you know of any previous research conducted into them??
- Can you help us in any other way?

If so, please contact Digby Carter on 01327 830521, or email memorial@coldhigham.org.uk.

For more information, including the names of those on the Memorial, please see the Cold Higham web site (www.coldhigham.org.uk). We will keep this updated with news as it occurs.

Thank you.

Many Thanks from Astcote Methodist Church

We are pleased to say that we now have the new windows installed and would like to say a big THANK YOU to everyone who has supported us with fund raising over the last few years and helped achieve our goal. The building will be warmer and brighter with no maintenance to be done. Please admire them as you go past, or better still come inside and have a look. Thanks again.

Reminiscences: Stonehouse, Eastcote

A mishmash of buildings that become one big house called Stone House, known by my family as Stonehouse.

My grandparents bought the house in 1946. It was a farmhouse of relatively small proportions, with only three up, three down rooms; plus an adjoining and tenanted cottage, lots of outbuildings and some land. My first memory was in 1953 when the family watched the Coronation on my grandparents' TV. I was two and half.

You entered the drive through wooden gates which led into the front garden. The garden had been a farmyard and was surrounded by a number of intact and derelict buildings including a 'carport' with three bays and a corrugated roof (maybe two cottages or a cattle shed in a former life), 2 pigsties, a stable, a feed barn known as 'the hovel'; fairly dilapidated even then, it had a door from the farmyard and another directly opposite into the paddock. At the head of the drive was a huge threshing barn, attached to a brew house come dairy to the left.

The brew house was a large flag-stoned building with a giant range. The dairy was accessed inside by a door to the right - it always cold, no glass in the window, and marble shelves and tables. Above this building was a fully boarded, giant room that was reached via wooden steps from the outside.

There were several flowerbeds. The main bed, to the left of the drive, was edged by saddle stones.

There was a paddock, and a vegetable plot/orchard which was reached through the front garden by a gap in the stone wall which surrounded the entire yard. This was to the side and behind the threshing barn. There was also a well with a working pump on the right hand side of the drive.

The main house had been attached via a covered passage (possibly in Victorian times) to the brew house which then served as the main kitchen/scullery. At the head of the passage was a small covered hallway which gave access to the main house – a huge imposing wooden door belying the humility of the building inside – to the left was a door into what my grandfather turned into a bathroom and to the right was a wooden, and locked, door into the neighbouring cottage.

The bathroom had started life as a brick-built lean-to with very deep dimensions. At least 6 feet below ground, it was used as a 'booze' store as testified by the graffiti on the walls before my grandfather filled it in to craft a bathroom. It was always the coldest room in the house!

Legend has it that Stonehouse was, at some stage, an ale house.

Stonehouse always punched above its weight, just a modest C17th farmhouse in reality.

With window seats and shutters to all windows on the ground floor; flagstones galore and quarry tiles, with age-old indentations made by the many passing feet over the centuries. There was the most glorious of inglenooks, the hugest that I have ever seen with original cooking irons and roasting spit, built in salt cupboard and bread oven. This space was so large it housed my grandmother's bed with ease when she became too ill to climb the stairs.

The other main room had wonderful old and wide floorboards and a fireplace which cut an angle across two walls with a surround that we believed to be by Adam in the style of the Tudors.

These two rooms were connected by a room that gave access via the original main door to the house. It's only useful function was as a dining room, although it did provide entry from the not-original front door/steps – again believed to be added in Victorian times – and housed the staircase.

Upstairs were three bedrooms and a fully boarded attic (with two small windows) with stairs from the landing. The main bedroom had another fireplace set at an angle across the walls and a large stone shelf to the right of the window which suggests that it was another window which became victim of the Window Tax!

The smallest bedroom, which was tiny in comparison to the other two, also had an internal 'shelf' – again suggesting Window Tax or possibly the fact that the adjoining cottage was not part of the original building.

The cottage was a two up, two down dwelling. It had a good-sized inglenook, a built in salt cupboard and flagstone floors. Apart from having three outside doors, to the front, the back and into the farm complex; it also had an internal well under the stairs, a 'double-seater' privy outside and the smallest doorway into a bedroom – less than five feet! It was not built at the same time as the original farmhouse, although probably in the same era.

This remained much the same, until my grandfather died in 1960 and the thatch slid off the roof of both Stonehouse and the cottage in a storm in 1961. My parents were the only people who were in a position to preserve the post-war family home, so they sold Thatch Cottage and replaced the thatch with tiles. We all moved in with my grandmother and aunt in early 1964. It was only then that Stonehouse, the brew house, the bathroom, the passage and the cottage became one household. My mother sold up in 1984.

Oddly, Stonehouse was Grade 2 listed in 1989. English Heritage decided it was built in the late 17th century. How they could tell is beyond me!

SIA Fish & Chip Suppers

Hold a Fish and Chip Supper to help spinal cord injured people rebuild lives after injury

**Great British Fish and Chip Supper
Friday 15th May 2015**

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 15th May 2015 whilst raising awareness of spinal cord injury and supporting SIA's vital services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre. SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2015 we want to make the batter matter and raise £40,000 from everyone holding suppers. Last year we raised £20,000 from the suppers. The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group."

For more information or request a fundraising pack call Elizabeth Wright on 0845 071 4350 or email fundraising@siafishandchips.co.uk or visit www.siafishandchips.co.uk

Bus Service

The Bus Stops in Eastcote and Astcote were installed without delay and although you can ask the bus to stop at other points along the route, at least we now have a proper place for the bus timetable to be displayed, as well as making it very clear that we have a bus service. New Bus Stops were also put at the existing stops in Pattishall.

The Cafe in The Drapery, Northampton near Stand 16 has recently changed hands and is now called Leopold's Cafe Express. The screens showing bus departures etc. are still there but the menu has changed slightly. It is still a great place to wait if you have time to spare.

If you have any queries or comments do contact me by email: ann.atkin51@btinternet.com or telephone 01327 830907. I represent the Pattishall Parish Council Bus Users Group as often as I can at Bus User meetings. These take place at the Guildhall in Northampton where other bus user groups, bus companies and NCC officers meet, and I am able to pass on relevant comments from yourselves.

Bus timetable below - I have also put copies in the Village Notice Boards.
