Gardening Club

The next meeting of the gardening club will be on 7th October when John Gibson will give us not only tips on planting bulbs but will also show us how best to do it.

Once again we are fortunate to have secured an experienced grower, exhibitor and RHS judge to come and speak to us so I'm sure everyone will learn something new.

On 4th November we will welcome back Rick Lambert who has kindly agreed to show us his pictures of the gardens in Prague and the Czech Republic that he has visited.

By popular demand, the meeting on 2nd December will be a members evening, no doubt with a quiz, mulled wine and mince pies! New members and guests most welcome.

Christine Russell, Secretary 830012

Cold Higham Parish Council

The new term for the Parish Council is well underway and our new Councillors are settling in. We would like to take this opportunity to introduce them to you.

Mrs S.James - Grimscote
Mr K.Hurford - Grimscote
Mr E.Slinn - Grimscote

Also, we welcome back the following members of the Council.

Mrs J.Kimbell - Grimscote
Mr D.Carter - Fosters Booth
Mr R.Dickins - Grimscote

As is evident from the list above, we are in need of an additional member to join the Council and, ideally, we would really like to invite a resident from Cold Higham who would like to join the Council to make a positive change for the surrounding villages and help to address the daily issues faced by the Council.

We hold a meeting in the Cold Higham Village Hall every couple of months and the meeting would take just a couple of hours of your time. We are trying to resolve several long standing issues, such as the safety of our A5 junctions and if this matters to you, perhaps you are just the person we need to help us drive this forward?

The next Cold Higham Parish Council Meeting is on the 19th November at 19.30 at The Cold Higham Parish Hall. Please note that members of the public are welcome to attend these meetings.

As you will be aware from previous updates from the Cold Higham Parish Council, the A5 junction has been and still remains a major safety issue. We are still trying to resolve the issue of the visibility splay of Banbury Lane to the south. We have received broken promises and are frustrated by the lack of action by the responsible parties. Rest assured, we will continue to endeavour to get this resolved to our satisfaction and I look forward to bringing more positive news in the not too distant future.

It has also been brought to our attention that the church wall on Church Lane at Cold Higham has an issue with ivy and weeds. This problem has been duly noted and work is scheduled to address this.

Of further note, we were advised that the Cemetery needed to bring their burial fees into line with neighbouring Parishes and this has been actioned accordingly. We are hoping to have the revised fees outlined on the Parish website or in the meantime, please contact the Parish Clerk, Mrs. A. Addison via the website coldhigham.org.uk, for the revised figures.

The War Memorial work is underway, please refer to Digby Carter's article in this edition for the latest update.

For further information about the Parish Council as well as local news and events, do take a look at the Parish website coldhigham.org.uk

Pattishall Parish Hall Pattishall Playing Field

The Parish Hall Committee has completed its refurbishment project in the large hall.

Re-decoration, new blinds and new doors have given the hall a more modern look. This has been possible with funds raised from all those who have supported many of our events as well as grants from the Maud Elkington Trust and the Parish Council. Over the past 5 years we have spent almost a quarter of a million pounds on improving the hall, a great effort from the committee and the community.

The committees have been busy with car boot sales and the Picnic in the Park this summer (see other articles). We are continuing with a programme of events for everyone: a film night, quiz with supper, bonfire and firework event as well as the Senior Citizens Christmas Lunch. For further details see below.

Please continue to support us. We shall be selling our **Christmas Raffle** tickets throughout the parish, **main prize £100**, the proceeds will go to support the Playing Field, a great community facility.

Car Boots 2015

This year's car boots in May, June and August, raised a grand total of £1,106 for hall funds. Individually they raised - May £400, June £351, and August £355. The twelve car boots I have now organised to raise funds for the hall (one in 2011, three in 2012, two in 2013, three in both 2014 and 2015) have raised a massive £5,105! I am pretty pleased with that.

Thank you to everyone who helped out at each car boot, either running the catering, hall bric-a-brac stall, or car and booters' parking. Also a huge thank you to everyone who donated bric-a-brac - it was so exciting come home to find all sorts of goodies left in my front porch or by my garage door.

Suzanne, Pattishall Parish car boot organiser

Pattishall & District Produce Show

The 2015 Pattishall & District Produce Show held on Sunday, September 13th was well supported with entries up on last year. Johnnie Amos, Radio Northampton's Gardening Expert once again awarded the prizes and commented not only on the impressive number of entries but also on the excellent standard. The Parish Hall was filled with plants, pictures, photographs, delicious foods & drinks and an array of handicrafts. There were some delightfully creative entries from children and once again the disgusting but edible sandwich challenged the judge's taste buds!

Throughout the day the Produce Show cafe was serving burgers, baked potatoes, tea & cakes and a full English breakfast from 8:00 to 10:00 proved very popular. The committee would like to thank all those who supported the event and any feedback is gratefully received via the

Pattishall Picnic in the Park Music Festival Saturday 11th July 2015

What a spectacular event this year! I didn't think we would be able to improve on last year's great day, but we did. Double the number of bands, singers, musicians, double the number of people who all came to listen, relax and enjoy themselves, which they did, and great weather!

After months of planning the music festival committee members and helpers started early on Friday morning with the heavy work of erecting 500 meters of perimeter fencing to keep everyone safe, setting up the stage and the site. Saturday morning started at 7.00 am setting up the sound system, erecting the gazebos, organising the gates, and a million other tasks all designed to make the day run smoothly.

There was a sense of eager anticipation and excitement in the air as just before midday people started queuing determined to get a good spot, and we swiftly opened the gates so they could do just that. By the wonder of advance payment through PayPal we were able to check people through quickly and attach their wristbands. People did several trips from their cars bringing gazebos, tables, chairs, cool boxes, in fact every portable convenience known to man! For the second year running I was amazed at what people bring with them for comfort in the outdoors!

The music was varied offering something for everyone, beginning with Towcester Rock School who kicked off the music at 1.00 pm, and several musicians and singers from the school performed throughout the afternoon. Great to see these up and coming stars performing, for some of them the first time to such a large audience. Our headline act Ruse then rocked the crowd on the main stage at 1.30 pm and the music then flowed on, seamlessly, from one act to another all the way through till 11.00 pm when the Bicycle Thieves rounded off the evening with their rendition of Uptown Funk as their final number. Lots of people had migrated down the bank as dusk descended, and just like last year, had a good old bop around in the light drizzle, absorbing the music and atmosphere as they danced with each other.

There were many great moments throughout the event, both musical and otherwise. For me one was having a caller with The Barn Rat Band, and watching young and old alike running forward to have a go at barn dancing, and really enjoying it. There was even a bit of line dance teaching going on to some country tracks performed by Roadhouse - the lead singer would have us believe she was Dolly Parton's niece! Another special moment was seeing an older couple sitting in front of me reach out and hold hands during a powerful love song - it really tugged at my heart strings. And who could forget looking across at the play area and watching it transform into a sea of gold as bales of straw came apart and seeing children having a whale of a time throwing themselves around in it! Not such a whale of a time clearing it all up the next morning in the rain!!!

In total we featured 10 acts split across 2 stages, the exact line up can still be seen on our website, www.picnicinthepark.org.uk. We will soon start working on next year's festival so get the date in your diary now - **Saturday 9th July 2016**.

A huge thank you goes to all the many helpers and to the music festival committee; to Johnny Smith, who had the idea in the first place, oversees the whole event from start to finish and keeps us on the right track, to the new committee members this year, Ian Taylor, for your sound engineer expertise and more, Simon Parslow for the website and more, Paul Nichols for carpentry, practical ideas and more, Karen Stewart for treasurer skills and more. And to the second timers, Iris Illingworth, Josie Bateman, Jon Hibbert, Nigel Banister (great job organising all those musicians!) and me. I did have a break during the event to relax and enjoy the music, but lots of the committee worked flat out from dawn till dark – well done all.

However the biggest thanks has to go to all those who attended! With your continued support Picnic in the Park has grown even more professional and fun since our first event in 2014. As you will probably be aware events such as this contribute to the Pattishall Playing Fields Association which works hard to provide such a wonderful local amenity for all to enjoy.

Looking forward to doing it all again next year - see you there
– **Saturday 9th July 2016**.

Members and friends have again enjoyed our summer outings. In June we went to Stockwood Park and in August to Stratford on Avon where we visited Ann Hathaway's Cottage, explored the town and finished with a peaceful boat trip on the River Avon.

In July we were again entertained by the Homestead Singers, always a great favourite, and in September we had a visit by Sarah Castelvechi from Anglia Water who introduced members to their free Bits and Bobs Scheme and gave us water and money saving ideas. If you have not availed yourself of this scheme get in touch with Anglia Water.

Peter Stratton who was to have been with us in September to tell us about the WW1 prisoner of war camp at Eastcote will now be with us in February next year.

October brings a visit from Bob Carter .His 'Views of Towcester' is a very interesting presentation of photographs of Towcester showing how it has changed over the last century.

In November we shall learn about the work and care carried out at the Helen and Douglas House Hospices for children and teenagers

The year will be rounded off with us all going out again for Christmas Lunch.

Of course, if anyone over 50 wishes to join us you will be most welcome. If you are uncertain about committing yourself to membership come along as a visitor. I am sure you will enjoy yourself.

Picnic In The Park – Thank you

We would just like to say a big thank you to everyone involved in making Picnic In The Park Music Festival 2015 a huge success.

We particularly enjoyed hearing the Second Stage Acts which focused on our local talent; well done you are fantastic.

The Barn Rat Band with their 'caller' gave us an early chance to get up and have a dance; it was good to see so many people participating and having fun.

All of the solo artists and bands provided us with a great selection of music, we thoroughly enjoyed the day and sang, clapped, toe tapped and danced until the end.

Congratulations and thanks to everyone involved for all your hard work.

Val and John Stephenson.

LEJOG Convoy for Canines in aid of Dogs for the Disabled

Starting on 5th June we completed the epic journey from Land's End to John O'Groats on a restored 1963 Massey Ferguson 35x Multipower tractor and

hand built trailer accompanied by a number of cyclists to raise money for **Dogs for the Disabled** – a life transforming charity.

We arrived at a windswept John O'Groats in the afternoon of Wednesday 18th June after a tiring but successful adventure having met some wonderful people en route and collecting donations from generous supporters.

Rob Stretton who completed the entire 950 miles on his bike was joined by others who cycled with him at various stages throughout the 12 days.

Mike Dorrington cycled most of Scotland from the Falkirk Wheel to the end.

The tractor and trailer performed amazingly - all

credit to **Steve Moore** who restored and drove the tractor all the way. The only problem was a leaky radiator which we had to replace at Kendal.

In Lancashire we met up with Puppy Socialisers and their young pups in training which was a great boost for the team and the supporters. Reports in the media, including the Warrington Guardian helped to generate interest and awareness.

We raised a fantastic **£14,170** from the various fund-raising events, sponsorship and generous donations. This figure will be matched by **The Rugby Group Benevolent Fund** to give a grand total of **£28,340**.

We would like to extend a huge thank you to all of our supporters and sponsors for their very generous support, interest and encouragement before, during and after the trip.

The money raised will make a huge difference to **Dogs for the Disabled** - a charity that creates exceptional partnerships between people and dogs ranging from assistance dogs helping children and adults with physical disabilities and families affected by autism, to pet dog autism workshops and innovative new projects working in schools and residential care settings.

Thanks to Malc Baker the full story can be seen on our Facebook page – just go to **“LEJOG Convoy for Canines”**

Pattishall Youth Club

The youth club runs every Tuesday, in Pattishall Parish hall, during school term time. It is open to all young people aged from school year 6 and above. It runs from 7:30 to 9:15 and the cost is only £1 per session.

There are numerous games, music, craft nights and some off site visits...as well as a tuck shop! So lots of different activities as well as a place to just come and chill.

All welcome.

Helpers As all voluntary organisations, we are continually on the look out for helpers. Even if you can only do the occasional Tuesday evening, let us know. If nothing else you'll probably improve your own badminton and table tennis skills, as well as increase your tea intake!

If interested or want to know more please contact Ruth on 01327 830118.

Cold Higham War Memorial Project

The contract to repair the War Memorial was let by the Parish Council in June. The contractor, Boden & Ward from Flore, took possession of the broken pieces in July and have been repairing them over the summer. They plan to return to site to complete the repair during the week commencing 14th September, so with luck by the time of publication this will be done.

On Remembrance Sunday (8th Nov) there will be a short service at St Luke's Church and at the memorial itself. This will be followed by a small reception in the Village Hall, at which the results of our research so far into the Memorial and those who are commemorated will be presented to the public. We hope that many members of the Parish will attend. Family members of some of those who fell will be there.

As part of our ongoing research into those who are commemorated, the church records at St Luke's have been explored. The picture below shows a sample of what is there: in this case the register of baptism of Gady Annie Louisa Bottoms in 1899. The national records we have found variously show that she died on 15th November 1916 or 1918. She is buried in St Luke's cemetery and has a Commonwealth War Graves Commission headstone (one of two in the churchyard). From this church entry we were able to deduce that she died in 1918, as all the records show her being 20 years old. At some stage, therefore, someone transcribed a 6 instead of an 8! Other entries have helped in other ways.

But we would still like more information please, including about Gady Bottoms. For instance we still don't know how she died, actually four days after the Armistice.

Any photos, anecdotes, memorabilia etc would be most welcome. If you can help at all, please contact us. All the names (twelve from WW1 and two from WW2) are on the web site (see <http://coldhigham.org.uk/war-memorial-2/>). Thank you.

We will update the website page (<http://coldhigham.org.uk/category/war-memorial-news/>) with further information as we make progress, including pictures of the repaired War Memorial when complete.

An Improved Bus Service for Eastcote-Astcote-Pattishall

From 1st September 2015 our bus service will be run by Country Lion. Although the timings are about the same as before there are some notable improvements:

The first bus after 9.30 am (when bus passes can be used) will now commence at 9.32 am from Eastcote towards Towcester (previously the first bus from Eastcote to Towcester was not until around 11.30 am).

Buses to Northampton will now go via Sainsbury's at Sixfields giving more options for shopping (Boots, M & S, Next, Lidl etc.)

This also gives the possibility of going to the Cinema in the afternoon if the timings are right.

On Saturdays the bus could be used to go to and from the Saints or Cobblers matches.

The bus will also stop near Northampton Train Station before going into the Drapery Bay 19 (outside McDonalds)

Although our buses are not very frequent these changes to the route do give more possibilities. Please try and make use of the service when you can as this will help to ensure it continues, and also, hopefully, in time give us a more frequent service.

If you have any queries or problems do let me know.

Ann Atkin, Pattishall Parish Bus User Group
ann.atkin51@btinternet.com

PS. Please park thoughtfully: Some of our roads on the bus route become quite narrow at times with parked cars. Recently the bus could not get through Church Street, Pattishall meaning that it had to reverse and continue it's journey without picking people up at the stop in Fosters Booth Road.
