

Pattishall Youth Club – Closing

It is with regret that from September the Youth Club will no longer continue. This is due to a combination of lack of leaders to help out and a reduction in the number of young people attending.

We would like to thank all those who have helped and shown support over the years.

If you would like to take on the running please contact Claire Mackintosh on 07780 617920; or the Pattishall Parish Hall Committee, chaired by Iris Illingworth (details on the Pattishall Parish website).

Regards, Youth Club Committee

Major A5 Roadworks

Essential maintenance roadworks are taking place on the A5 from the road bridge over the River Tove (near the entrance to Tesco's) southwards towards the junction of A5 with Marlow Road, Towcester.

This comprehensive scheme of work includes repairs to damaged drains and kerbs, resurfacing of some footways, resurfacing of carriageways, refreshing of road markings and installation of road studs and traffic loops.

The work will also include the reinstatement of a trench over a gas main that runs between the south side of the junction at Brackley and Northampton Roads and the Lindens. Once completed, all road users will benefit from improved road safety and smoother carriageways.

Work is due to start in late July and is scheduled for completion by the end of November 2018. The work will be carried out in two shifts per day Monday to Friday (between 7.00 am and midnight); one shift on Saturday (between 7.00 am and 5.00 pm); and one shift on Sunday (between 8.00 am and 4.00 pm).

All these works are subject to weather constraints.

During these closures there will be:

- A temporary closure of gaps in the central reservation on the A43, between the junction with Tiffield Road and the junction with Towcester Road, for the safety of the public.

- Fully signed diversion routes which have been agreed with the Local Authority.

- A temporary lift in one-way restrictions to enable access and egress for businesses and residents in Park Lane and Browns Yard, and businesses, residents and visitors to Chantry Lane and Moat Lane.

- Maintenance of pedestrian access at all times.

If you have any questions about the works please contact the Liaison Officer using email infoA5towcesterhighstreet@forkers.com or telephone 07964 114623.

1st Pattishall Brownies

1st Pattishall Brownies has been a hugely successful part of Girl Guiding for the last 47 years. Over the last two years however, countywide, there has been a steady decline in girls joining Girl Guiding. This appears to be due to two main factors: firstly, the vast numbers of activities that girls now take part in after school, and secondly (more significantly), the fact that many girls choose to join the Scouting movement instead of Guiding. Guiding has always been specifically aimed at girls, giving them opportunities to grow and develop into young women.

Our pack has recently become a victim of the decline in numbers and we are currently trying to recruit some new girls to join us. We feel passionate that our pack should continue, but without more girls we will be at risk of closure.

If you have a daughter aged 7-10 years, who loves making friends, playing games, doing crafts, enjoying the outdoors and having fun with like-minded girls, please bring them along to give Brownies a try. We meet at Pattishall School every Monday (term time only) 6.15pm to 7.30pm.

This term's activities includes crafts, agility, a boat trip to Stoke Bruerne, swimming and a BBQ.

If you would like more information please contact:

Julie Rowley (julie-rowley@outlook.com or 07826 362542)
or Diane Hart (01327 830607).

Pattishall and District Food & Produce Show

Sunday 9th September 2018 – Pattishall Parish Hall

Please mark your calendars with the date of this year's Food & Produce Show and – if you haven't done so already – start planning your entries. This annual event brings the whole village together in friendly competition and admiration of each other's skills and talents.

The organising committee tries to keep the show fresh and this year has added some new categories, including a vase of sweet peas, flower arrangement in a wine glass, chocolate brownies (yum), and design a festival t-shirt (the latter for 12-16 year-olds only – sorry, Stones fans of a certain age, this one is NOT for you). We are also delighted to have the

choir of Pattishall School performing in the afternoon, along with all-day refreshments, a selection of stalls and a terrific raffle.

My challenge to everyone is this: if you haven't EVER entered the show – make 2018 the year to do this. How about 'art on a postcard', a photo of your beloved pet or your most beautiful flowering pot plant? And if you ARE a regular entrant, why not add something new to your repertoire?

Remember – children and young people can enter ANY category, but ONLY the defined age groups can enter Section L. Let's see how many of our younger residents can give established gardeners, bakers, artists and crafters a run for their money – and perhaps win a cup in the process.

For the full schedule and information about how to enter, please see the centre pages of Around Pattishall.

Kirsten Gibbs & the Show Committee

Pattishall School

Last time, we were welcoming Spring and thankful that the snow had passed! How quickly the school year drags us through the seasons. Our latest update takes us to the end of term; and the end of my first year as Head Teacher. I would like to thank everyone for making me feel so welcome and for the support we receive from our community.

We have had an excellent Summer Term to date, with beautiful weather for our Sport's Day – where Holdenby House won the trophy. We also ran the *Race for Life* as a whole school on the playing field, raising over £200 for Cancer Research. Well done to Charlie and Piper for being the first Key Stage Two boy and girl across the line.

Daily swimming is now under way in our swimming pool from Reception to Year 4. Thanks to Pattishall Swim Club for all their hard work in getting the pool ready and for supporting this really valuable resource.

Our felted banner is now on display in the foyer, depicting the school, church and farming traditions of the area. Thanks to Heidi Street-Ward for a fantastic and really informative day.

Members of the community are warmly welcomed to Monday's collective worship, weekly at 10.55 am. We are also exploring other ways to make collective worship more accessible for all parents, carers, family and relations.

We currently have a vacancy within our teaching team, to start in September. Please see our website if you or anyone you know is interested in joining our fantastic school on our journey to the top.

If you have any time to donate to a gardening club, a mechanics / engineering / electronics club, sports club or would like to volunteer to support learning, please do get in touch: we'd love to hear from you and rely heavily on volunteers.

The end of the year is a funny time in a school. There is a feeling of sadness mixed with enormous pride as we say goodbye to the classes we have invested everything into over the past nine months. We also wave off our wonderful Year 6 pupils and wish them every happiness and success as they journey on: farewell Katie, Mia, Georgie, Bella, Shannon, Fran, Sol, Daniel, Oliver and Warren. Behind the scenes, there is also a frenzy of preparing, sorting, planning and clearing - ready for those

who are taking the next step in their learning journey with us. We look forward to sharing our successes with you next year.

Have a wonderful Summer,

Mrs Emma McLean, Head Teacher

Astcote Phone Box

On Saturday the 14th April a team of volunteers from the Parish Council and local area, led by Robert Hart, cleaned, sand-papered and painted the Astcote Telephone Box: first pink which alarmed the locals, then in the true Telephone Box Red – it now looks wonderful.

Robert Hart spent the Friday pressure washing the box inside and outside so it was ready for the team on Saturday.

When Pattishall Parish Council purchased the phone box through the good works of Gabriel Abrahams on behalf of the community, with it came a complete paint kit. Brushes, sand paper, masking tape, undercoat (pink) and top coat (red) together with instruction on how to use it!

The team was fortified with tea, coffee and a fruit cake (there are some perks when you volunteer) supplied by Barry Evans.

It is a K6 designed by Sir Gilbert Scott for King George V in 1936, hence the larger of the two crowns you see on phone boxes!

Margaret Stretton recalls that the phone box was already installed when she moved to the village in 1953, but does not know the actual date of installation. Here is a Quiz question; when was the telephone box installed in Astcote? The winner gets heaped with praise!

Campion School

Campion students continue to enjoy a broad range of special experiences which really do capture the very best of our 'Care. Commit. Contribute' ethos.

Since our previous article, a team of Year 10 students participated in the 'Big Rig Technology Challenge' at Northampton College; Aspiration X, our Year 10 Young Enterprise group won 'Best Trade Stand' at the area final; and our overseas visits continued with a ski trip to Alpendorf in Austria and a Sixth Form visit to Washington DC. Our sports teams have enjoyed continued success with highlights including Key Stage 4 girls winning District Hockey and Netball leagues. Links with primary schools continue to flourish with over 1200 students taking part in sporting events with our link primaries. We also continue to support others, with students, parents and staff enjoying a series of music showcases that not only demonstrated the superb musical talents of our students but also helped to raise funds for Cancer Research and Operation Smile.

Each year group has found a special way to celebrate being part of our 50th anniversary year. Events included students forming the number 50 for a bird's eye view, walking or jogging for 50 minutes and donating 50 items for the local food bank. It remains our desire to provide a covered outdoor sitting area next to our astroturf pitch for students and community users. If you are able to help in any way with our fund-raising programme, please do get in touch via csoffice@campion.northants.sch.uk – all suggestions and support are welcomed.

It is a particularly demanding term for our Year 11 and Year 13 students as they sit their external exams. We said goodbye to Year 13 in style when, in keeping with tradition, they wore fancy dress on their final day. This year's costumes all started with the letter P – it's not every day that you enjoy a most moving leaving celebration in the company of pilots, peaky blinders, punks and the police! Our Year 11 students also enjoyed a celebration assembly and as both year groups continue to work hard, they can look forward to their June Prom events to celebrate the end of the exam season. We wish each of them all the very best.

The growth of our new building continues at pace and remains on schedule to be open by September. We were also delighted to receive an additional grant of £466,133 to refurbish our changing rooms and this work will begin soon. If you are one of our community sports users, I am delighted to say that you can look forward to some first-class changing facilities in the autumn.

We are looking forward to welcoming our Year 6 students for their induction experience in July. If you, a family member or a friend is joining Campion for the first time, be assured of our very warm welcome – we can't wait to meet you!

Finally, as we head towards the summer break, I send you good wishes on behalf of the Campion students, staff and governors.

Another Good Deed

Parishioners will be aware that the No. 87 bus that serves our parish together with Hunsbury Meadow, Rothersthorpe, Greens Norton and Towcester in both directions is due to be discontinued from this July!

Ann Atkin together with help from Janet Amos, Christine Blackerby, Elizabeth Gooch, Hilary Kent, Margaret Bullied, Wendy Watts, Jane Hawtin, Janet Lyon and County Councillor Adam Brown completed a door to door survey to gather information on bus usage from this parish. The result is a substantial boost for the Parish Council to create a case for the Bus service to continue.

Through the commitment of the above mentioned people, we have financial figures that will back our case. The details will be presented to the 14th June Parish Council meeting and thereafter to the decision making body.

On behalf of the Parish Council and indeed every bus user in the parish I would like to thank the above mentioned people for their enormous help and endeavour on all our behalves. The parish of Pattishall has always been resilient when faced with adversity, this is just another example of the best of village life.

Pattishall & District Good Neighbours Club

We continue to come together each month to enjoy sharing the afternoon together and to enjoy what our speaker or entertainer has for us, as we did in May when Margaret Burgon, the wife of a retired vicar, joined us to tell us *It could only happen at a wedding*. In June we had our first outing of the year when we went to the National Memorial Arboretum near Litchfield.

We return to the Parish Hall for our July meeting when Laura Malpas reveals *Secrets and Scandals of Cannons Ashby*. This is followed with a break in August after which we have our second outing, this time to The Shuttleworth Collection and Swiss Gardens. If anyone would like to join us on this trip phone Judith King on 353691.

Late News. We have been selected by Tesco for their Bags of Help Grant Scheme and shall have one of the three boxes in store for you to place your blue tokens in during July and August. Please give us your support.

Good Deed on Behalf of the Parish

A local parishioner Nigel, takes it upon himself to wash the entry signs to the village from the Rothersthorpe end of Banbury Lane. He has done this for some time and has included the trimming back of the hedge overgrowth that precludes on coming drivers from seeing the signs soon enough. Whilst Nigel seeks no glory he hopes that making the signs visible and clean that approaching drivers will take heed of the sign instruction and curb their speed to the designated 30 mph. Not wanting to make this a lecture, the signs are in place for a purpose! We have suffered a death in the parish on that stretch of road and it is our ambition to avoid any more.

Hyodokan Karate and Self Defence

Modern Self-Defence and Traditional Martial Arts

Do something different - a lifelong study which enriches you mentally and physically - a new way to get fit - come down to meet us and talk to club members

Beginners

If you have never trained before, you are in good company. All of the club were once beginners! It is suitable for 10-60 age groups, although 12+ is usually better. Women will get on just as well as men, and train as equals. We take traditional karate and add self-defence techniques and techniques from jujutsu to give people a well-rounded set of skills. Useful for fitness, confidence, self-defence in the real world and the study of the martial arts for their own sake.

Starting again

If you used to do some martial arts, you will find that we are a great place to restart. There is something for everyone, whether you have a karate background, trained in jujutsu or judo, did some boxing or taekwondo or just used to do lots of physical stuff. We will honour your previous experience. We have several people in the club who have started again, including one with a gap of 35 years! You will find the Dentokan arts challenging and extremely fulfilling.

Martial artists

If you are currently training in another art we can offer you access and teaching in genuine high class arts with a highly reputable lineage, going directly back to Japanese and Okinawan masters. View the "lineage" section at www.dentokanhombu.com and you will see the unique quality of the lineage of our core arts, something which few western organisations can now claim. This is a place for the serious martial artist who wants high quality training with a genuine lineage.

Love – Actually?

*Reflecting on my life before you came
Unknowingly I was but half a man.
No paramour has set my mind aflame
Or wracks my sleepless nights the way you can.
Could mortal muse your depths aptly compose?
Or symphony do justice to your sway?
Forever gone my nights of sweet repose –
My fevered brain enwrapp'd in disarray.
Seducing with your deftly hidden charm,
You hint at favours that are yet to be.
Abroad your name is whispered with alarm,
And sober men grow weak with shaking knee.
For you're renowned as any superstar –
And sweet as plague, oh damned GDPR!*

Pattishall Parish Council

The council meets at 7:45pm in the Parish Hall on the second Thursday of each month throughout the year, except for August when no meeting is scheduled. An agenda and draft minutes are available on the Pattishall Parish website (www.pattishallparish.org.uk) and all notice boards. Parishioners are very welcome to attend or contact one of the council members listed below, should they wish to raise a point but cannot be at the meeting in person.

Should parishioners have a concern or require advice on any of the above then please contact the councillor concerned and/or Ann Addison, the parish clerk.

Parish AGM

There being no other nominations Roger Clarke and Barry Evans were duly elected as Chairman and Vice Chairman for the ensuing year.

Highways

Concern was raised at the appalling conditions of the road surfaces in Leys Road & Blacksmiths Close and the Parish Council has asked NCC to make urgent repairs.

Street Lighting

There are street light poles throughout the village that are not numbered. If you come across one do please let Gabriel Abrahams (gabriel.abrahams@btinternet.com) who is the councillor whose remit is lighting throughout the parish.)

Astcote Telephone Box

Lots of positive comments from parishioners about the newly painted telephone box and now we want to know residents thoughts for a suitable use. Please contact the clerk, Ann Addison.

Bus Service

The number 87 bus service is due to end on Saturday 21st July. Mr. John Ellerby, Principal Bus & Rail Development Officer at Northampton Highways has been in

contact with suggestions for a provisional service. The level of funding required from Parish Councils to provide this service would be £30,000 per annum with the initial agreement for the period 23rd July till 31st March 2019 of no more than £21,000. The tender for this contract was due back by 23rd May. There may be some funding available from The Moat Lane S106 Fund and possibly the education funding links.

Grass Mowing

The contract with Allseasons was ended abruptly due to the ill health of the owner and damage to his machinery by stones left on verges. This happened just as the grass really started to grow but thankfully a resident has stepped in to help with two cuts. This is a trial whilst he and other contractors tender for the contract to mow the many varied grass areas of the parish.

Churchyard

Due to the problems with the mowing contract the grass had not been cut but this was being addressed. The church is aware of the leaning gravestones as their maintenance falls under the remit of the church.

Bus Service

Following the Parish Council meeting on Thursday 14th June and after a lengthy discussion between members of the public (bus users) and Councillors the Parish Council have 'agreed in principal' to support a scheme to retain the No 87 bus, or its equivalent until March 2019, subject to the other parishes along the route contributing. The methodology is yet to be agreed. The Council took the view that if the service was lost it would never be replaced and as it affected so many young and old alike it was deemed a vital action.

Donations

The Parish Council is pleased to support the school swimming pool project (£500), Picnic in the Park (£500) & The Parish Produce Show (£150).

Cold Higham Parish Council

Parish Council. At the Parish Council AGM on 24th May 2018 Cllr Nigel Forster was co-opted onto the Council, as the sixth member. We welcome him and thank him for volunteering. There is still one more vacancy on the council – COULD THAT BE YOU? With the pending re-organisation of local government in Northamptonshire it is even more important for the parish to have a full complement of parish councillors.

There was no change to the officers of the Council, who were re-elected. Councillors' responsibilities are reviewed each AGM and published on the web site.

Parish Council Accounts 2017/18. In accordance with the new audit arrangements, the Council, as a Smaller Authority, approved, at its AGM, an Exemption from External Audit Certificate to be submitted to the new auditors, PKF Littlejohn. A copy of this Certificate, together with a copy of the 2017/18 Accounts, the Internal Audit

Report, and the Annual Governance Statement were all published on the Council's web site on 25th May.

Notice of Public Rights. On 1st June a notice of public rights to view any documents relating to the accounts for 2017/18 was also published on the web site. The dates for the exercise of these rights are 4th June – 13 July 2018. Please contact the clerk for further information.

GDPR. In accordance with the new data protection regulations, the Parish Council has published on its web site its Data Protection Policy and Privacy Notices, along with other relevant papers. These can be found on the new Data Protection tag under 'About the Council' on the main web site menu.

Litter Pick. The Parish Council thank all those who turned out for the re-scheduled litter pick on 22nd April. The grass was a bit longer than ideal – but at least there wasn't any snow! It was an excellent turnout.

Cat Shooting. Recently at least one cat has been shot, possibly with an air gun, in the parish. All animal lovers are asked to be aware of this/these incidents, and everyone is urged to be alert and to report anything suspicious to the police on 101, or anonymously to Crimestoppers on 0800 555111.

And Finally... For several weeks in May signs were on display indicating the closure of Banbury Lane in Fosters Booth for three days. When the date arrived and no closure ensued, the PC contacted Anglian Water. It turns out that the signs were put on the wrong road! Anglian Water have apologised and said they will not use the company responsible for their signage again!!

As you will be aware, the bus service as it now stands will cease on 21st July, 2018. There is the possibility of a slimmed down service being put in place but Parish Councils are being asked to contribute to this financially. Following a survey conducted in the Parish in recent days to establish the number of people who use the bus, and the frequency of their journeys, the Parish Council has agreed, in principle, to support the bus service and will now be working with the other Parish Councils along the route to see what can be achieved. If you are a bus user but didn't have the opportunity to complete the survey please ring me on 01327 830907 so that you can be included. Many thanks, Ann Atkin

Praying for the Community

There is 'Prayer Box' on the wall outside the Chapel. This is for any member of our Community to be able to drop in the name of someone they would like us to pray for. We don't need to know the details, just a first name is sufficient. That person will be included in our time of prayer on the following Sunday.

In addition, at 9.30am on the first Sunday of the month, there will be a half hour of prayer specifically for the Community. Anyone may join us for a time of quiet or simple spoken prayer. Our normal 10.30am service will follow after a cuppa.
